Just for you

About **Boxglee**

Glee is an English word that means “feeling of happiness and excitement.” We are a bunch of experienced and enthusiastic people, always excited to make quality and beautiful products. Products that make your place a happy place and infuse happiness into your life. Our name combines our lineage and brand philosophy, beautifully.

Who **We Are**

Boxglee, is a luxury home fragrance and décor brand specializing in manufacturing, marketing and distribution of fragranced home décor articles. Our collection of exquisite products transforms your everyday and brings all the warmth into your life and smiles on our faces. That's what are core brand promise is “unbox happiness”.

Our **Products**

We offer home decor and a variety of aromatic products such as Fragrances, Candles, Gifts, Diffuser Oils, Essential Oils, Potpourri, Diffuser, Burner, Candle Stands, Incense (Agarbatti) & Cones among many more...

How **We Work**

We put our passion with professionalism at work and curate aesthetic products for your homes. All our candles are hand-poured in small batches with a natural wax blend. Our candles have 100% organic cotton wicks and are made with premium perfume oils to capture the essence of the fragrance through layers of scent and expressive artistry and a long-lasting, great-smelling burn.
