

Nirmālaya  
FRAGRANCE OF GOD

## About Us

Nirmalaya brings you incense sticks, cones, dhoop sticks and havan cups preserving our environment by recycling the flowers. Following are some features of products.

- **These are made from recycled flowers and no charcoal is used. Till date we have recycled 1800 tons of flowers**
- **These are 100% organic and can be use by asthmatic patients as these are anti-allergic.**
- **The carbon emissions are from 0.3% to 5%.**
- **We use essential oils for the fragrancng of our products.**
- **Our products are CSIR-CIMAP certified (an Indian Government Research Organization)**
- **Featured on Shark Tank season 2 (Sony TV)**
